Subject: Request for Retitling of Certificate of Deposit (CD) in the Amount of \$2,000.00,  
Robert Harris aka West Desert Collectors, Tetla Septarian Mine, M0250006, Kane  
County, Utah

Dear Mr. Harris:

In a recent letter to the Division, you indicated the re-titling for the certificate of deposit with Zions Bank was complete. Although the Division appreciates your efforts, the re-titling remains incomplete. The Division requires the completion of a CD letter agreement, an administrative hold letter, and correct titling of the CD. Please have your bank contact Beth Ericksen, Minerals Surety Coordinator, so the re-titling and associated paperwork can be completed. She can be reached by telephone or email, (801) 538-5318 or [bethericksen@utah.gov](mailto:bethericksen@utah.gov).

Enclosed for your notarized signature is the reclamation contract for a small mine. Once signed, please return the original to the Division, attention: Beth Ericksen.

Division approval of the reclamation surety cannot occur until these final steps are taken and the CD re-titling action is complete. The Division can take no further review action of the reclamation surety documents until the above requirements are addressed. If you have questions about the permit, please contact Mr. Doug Jensen, Reclamation Specialist, (801) 538-5382. He can assist with modifying the permit to reflect actual ground disturbance and determining the required surety amount for this site.

Thank you in advance for your prompt attention to this important permitting requirement.

Sincerely,

  
for Susan M. White
